Many PDFs are published with empty or default metadata, missing an opportunity for optimization. Updating document properties ensures that search engines receive accurate information about the content and purpose of the PDF.

Using structured headings and readable text

Clear heading hierarchy improves both user experience and SEO. Search engines use headings to understand content structure and topic relevance. Using logical headings and subheadings in Elisha Goodman Prayer Of Caleb P Hyggery helps define sections and improves scannability.

Readable text formatting also matters. Proper paragraph spacing, bullet points, and consistent typography make PDFs easier for both readers and search engines to process.
