Tips for reading Surah Al Shifa

Reading Surah Al Shifa in digital format can be a highly effective and enjoyable experience when done with the right approach. Unlike traditional printed books, digital reading offers flexibility, customization, and powerful tools that can improve comprehension and retention. However, without proper habits, digital reading can also lead to fatigue or reduced focus. Applying practical reading strategies helps you get the most value from Surah Al Shifa.

One of the most important tips is to break your reading into manageable sessions. Long, uninterrupted reading on a screen can strain the eyes and reduce concentration. Instead of reading for several hours

at once, divide your time into shorter sessions with regular breaks. This approach helps maintain focus, improves understanding, and prevents mental exhaustion. Using techniques such as the Pomodoro method—reading for 25–30 minutes followed by a short break—can be particularly effective.

Using bookmarks is another simple yet powerful habit. Most digital reading platforms allow you to bookmark chapters, sections, or specific pages. Bookmarks make it easy to return to important parts of Surah Al Shifa without scrolling or searching manually. This is especially useful for long documents, study materials, or reference-based reading where you may need to revisit certain sections frequently.

Highlighting key points and adding annotations can significantly improve comprehension. Digital highlights allow you to visually mark important ideas, definitions, or summaries. Adding notes in your own words helps reinforce understanding and creates a personalized study guide. Over time, these highlights and annotations turn Surah Al Shifa into an interactive learning resource rather than passive reading material.
