Sarah Hayes' illustrations are integral to the storytelling, blending soft watercolor textures with detailed line work that captures the lushness of the forest environment. The color palette employs earthy tones—greens, browns, and blues—that evoke a sense of tranquility and wonder. The illustrations are not merely decorative; they serve to deepen the reader's understanding of the story's themes by visually emphasizing key moments, such as the reverberation of sound or the expressions of the animals. The expressive faces of the characters, especially Little Beaver, foster emotional connections with readers, making the story more engaging and relatable.
