Encouraging students to use annotation tools promotes active learning. Annotated PDFs become personalized study resources that reflect individual learning paths and priorities.

Accessible PDFs ensure that educational content reaches diverse learners. Selectable text, logical reading order, and alternative text for images support screen readers and assistive technologies. When Berkline Furniture Website follows accessibility guidelines, it becomes usable for learners with different abilities.

Accessibility also improves overall usability. Clear structure, proper headings, and readable fonts benefit all learners, not only those using assistive tools.
