PDFs are ideal for documents with structured layouts, charts, or academic formatting. They work well on computers and tablets but may require zooming on smaller screens. Annotation and highlighting tools are widely supported in

ePub format:

Text automatically adjusts to different screen sizes, allowing comfortable reading on smartphones and dedicated eReaders. If you prioritize readability and customization, ePub is often the best choice for reading Alice Through The Looking Glass on the go. However, complex layouts may not always appear exactly as intended.

Audiobook format:
