Conceived as part of Disney's broader strategy to capitalize on the franchise's enduring popularity, these adventures were designed to introduce new characters, explore side stories, and deepen existing character arcs. The development process began around 2018, following the success of the 2019 CGI remake of The Lion King. Disney aimed to leverage the franchise's momentum by creating content suitable for a younger demographic while maintaining appeal for longtime fans. The six adventures were envisioned as a series that could be broadcast across Disney Channel and Disney+, offering serialized storytelling with standalone episodes.

Production and Creative Team
