How to Form Questions with Question Words

The general structure for questions with question words is: - Question word + auxiliary verb (if needed) + subject + main verb + additional info? Examples: - Who is your favorite singer? - What do you like to do on weekends? - Where are you going after school? - When does the movie start? - Why are you studying English? - How do you get to school? Note that some questions may not require an auxiliary verb, especially when asking about a subject or object directly.

Common Mistakes to Avoid

- Incorrect word order: For example, saying "You are where?" instead of "Where are you?" - Using wrong question words: Confusing "what" and "which," or "who" and "whom." - Omitting the question word: Making statements instead of questions. - Incorrect auxiliary verb usage: Forgetting to include "do," "does," or "did" in questions.

These adjustments reduce eye strain and accommodate individual preferences or visual needs. Night mode, sepia backgrounds, and brightness controls make long reading sessions more comfortable and sustainable.

Digital copies also reduce physical storage requirements. Instead of shelves filled with books, eBooks are stored digitally, freeing up space at home or in the office. This minimal footprint is particularly beneficial for users with limited space or those who prefer a clutter-free environment.

Unlike handwritten notes, digital annotations are searchable and editable, enhancing long-term usability.

Many eBook platforms allow users to export notes and highlights. Exported annotations can be used for revision, research, presentations, or collaborative study. This feature is particularly useful for students and professionals who rely on organized summaries and references.

Color-coded highlights add another layer of organization. Different colors can represent themes, importance levels, or types of information. For example, one color may be used for definitions, another for examples, and another for questions. This visual system improves clarity and speeds up review sessions.
