The Voice of Reason and Truth

Throughout the play, Charley offers Willy honest advice and support,

often in moments when Willy is emotionally vulnerable or delusional. For example, he invites Willy to play a round of golf, symbolizing camaraderie and normalcy, but also subtly underscores Willy's inability to keep pace with the reality of his circumstances.

The Catalyst for Willy's Self-Realization

Charley's act of buying Willy a $50 weekly salary (which Willy initially refuses but later accepts) is pivotal. It signifies Charley's recognition of Willy's struggles and his desire to help, although Willy's pride prevents him from accepting charity readily. This interaction highlights the complex relationship between the two characters and underscores Charley's role as a catalyst for Willy's eventual acknowledgment of his failures.
