intuitive. When planning a structure, consistency is more important than complexity. A simple, well-defined hierarchy ensures that Who Is Mrs Sethi remains easy to find even as the library grows.

Subfolders can be used to separate drafts, final versions, and archived files. This approach helps prevent accidental use of outdated documents and supports better version control over time.

Naming conventions for PDF files

When naming Who Is Mrs Sethi, avoid vague labels and unnecessary abbreviations that may cause confusion later.

Using standardized naming patterns across the entire library ensures uniformity. This practice is especially useful when multiple users contribute to the same digital library.

Using metadata to enhance organization
