What Are SNHU Terms?

Before diving into specifics, it’s important to clarify what is meant by "terms" at SNHU. In the context of university academics, terms refer to discrete periods during which coursework is completed, culminating in a grade and progress toward a degree or certificate. SNHU operates on a year-round schedule with multiple start dates

throughout the year, offering flexibility to students.

Typical Lengths of SNHU Terms

SNHU's academic calendar is designed to be flexible, providing students with options that fit their individual schedules. The most common term lengths include:

1. 8-Week Terms

1. Description: These are shorter, accelerated terms that allow students to complete courses in approximately two months.
2. Purpose: Ideal for students who prefer a fast-paced learning environment or want to complete courses quickly.
3. Structure: Typically, SNHU offers six 8-week terms per calendar year, starting in January, March, May, July, September, and November.

1. 12-Week Terms

1. Description: Slightly longer than the 8-week options, these terms give students more time to absorb material while still maintaining a fast pace.

2. Purpose: Suitable for students who prefer a balanced approach—faster than traditional semester but with more time per course.
3. Structure: Usually, SNHU offers three 12-week terms per year, often aligned with the academic calendar's traditional semester schedule.

2. Course Load: Usually one or two courses per term.
3. Advantages: Offers a balance between speed and manageable workload.
4. Challenges: Slightly longer than 8-week terms, but still more intensive than traditional semester courses.

15-Week Terms

1. Start Dates: Fall and spring semesters typically start in September and January.
2. Course Load: Students often enroll in multiple courses.

How to Plan Your Academic Journey Based on Term Lengths

Understanding the different term lengths at SNHU helps students craft a personalized academic plan. Here's how

you might approach planning:

For Fast Completion or Accelerated Learning

2. Allows for deeper engagement with material and time for additional activities.

Additional Considerations

consult with advisors to see how credits align with different term structures.
